2026

Private Treaty Bull Sale Offering

Thank you for taking the time to give our 2026 bull brochure a read.

All of the bulls that we are offering this year are out of 2 and 3 year old dams sired by TH Benchmark 632G. The Benchmark females are now the base of our herd and they are all that we hoped for. Highly maternal while still quiet and easy to handle. They are extremely sound and good footed, a trait that can never be taken for granted. Benchmark is now a trait leader in a number of categories that are measured by our breed, specifically leading in the traits that measure weaning weight, maternal characteristic, and teat and udder quality.

This is the second set of bulls that we will be offering by FCC 8300F Redzone 1K. Redzone

sired the Reserve Grand Champion Bull, the Senior Heifer Calf Champion, and won the Get of Sire at the 2025 Alberta Hereford Showcase. He has established himself as a calving ease option that offers so much more. Redzone progeny are attractive while still displaying ample thickness, and remaining sound and athletic. His first daughters are now coming into production and they are showing great mothering ability with excellent udders.

We are excited to offer our first sons of Remitall-W Fire Storm. Fire Storm checks lots of boxes for us in terms of his overall quality, colour and pigment, good EPD's and homozygous polled. Fire Storm is a proud, attractive bull with extra performance and muscle shape, and he may be the longest bodied bull we have seen.

When you buy a bull from FCC, know it was raised by a cow you would want a field full of. And because we have focused on using only Homozygous Polled sires for the past number of years, that convenience is bred in.

Our bulls are developed on a 12% grower ration with quality forages, and are fed with soundness and longevity in mind. Each bull sells halter-broke, semen tested, veterinarian inspected, and fully guaranteed.

If you have any questions on our offering, please do not hesitate to give us a call.

A big thanks to all of our past customers for showing your confidence in our program. Your success is our success!

FCC 8300F Redzone 1K

FCC 1K LOGIC 15N

DOB JAN 31 '25	BW 82	REG NO. PC03126932	TATTOO GCFH 15N
BW 2.7	WW 62.6	YW 98.4	MM 26.9
TM 58.2	SIRE Churchill Red Baron 8300F ET	DAM TH 61A 531E Benchmark 632G	HF 15E Showdown Lady 5H
	FCC 8300F Redzone 1K	FCC 13D Betty 24F	FCC 23B Showdown 15E
			HF 38B Redeye Lady 392F

Logic is a long-bodied, deep-sided bull with a ton of eye appeal. He has a great hair coat, and is fully pigmented everywhere you want it. The Showdown Lady cow family has left us tremendous udders and Logic's 2-year-old Benchmark dam is no different. You will not want to part with any daughters sired by this guy. Logic can be used safely on heifers but also has enough frame and performance to work well on cows. **Heifer approved**

FCC 138L MONACO 24N

DOB FEB 21 '25	BW 90	REG NO. PC03126930	TATTOO GCFH 24N
BW 3.1	WW 58.5	YW 96.2	MM 27.7
TM 57	SIRE Churchill Red Baron 8300F ET	DAM TH 61A 531E Benchmark 632G	FCC 2400 Fortune 12C
	Remital-W Fire Storm ET 138L	Remital-W Belle ET 45F	FCC 7R Fortune 18U

The first time we saw Fire Storm, we could not believe how long-bodied he was and that is definitely a trait that he has consistently bred on. Monaco is a bull that will give you that extra extension that turns into more pounds at weaning. His heavy milking Benchmark dam is very attractive.

FCC 138L SUREFIRE 11N

DOB JAN 22 '25	BW 65	REG NO. PC03126320	TATTOO GCFH 11N
BW -1.4	WW 49.5	YW 74.1	MM 32.7
TM 57.5	SIRE Churchill Red Baron 8300F ET	DAM TH 61A 531E Benchmark 632G	FCC 707E Betty 22G
	Remital-W Fire Storm ET 138L	Remital-W Belle ET 45F	FCC 34Z Betty 14B

Surefire is another long-bodied Fire Storm son that has that extra shape, colour and eye appeal. Surefire's dam was Grand Champion Female at the 2023 Alberta Hereford Showcase that has developed into a powerful, productive cow for us. **Heifer approved**

			Haroldsons WLC Rhino ET 48Y
			FCC 34Z Betty 26B

Oakmont is so attractive in his design, yet bold in his makeup. When you get behind this guy, you see he has that extra muscle and shape that you look for. Oakmont has a stellar EPD profile where he is top 10% in 5 traits. As you can see in her picture, his 2-year-old Benchmark dam is a beauty with a bright future ahead. Oakmont has everything you are looking for in a herd sire. **Heifer approved**

FCC 1K FALCON 6N

DOB JAN 21 '25 BW 75 REG NO. PC03126331 TATTOO GCFH 6N

BW	1.2	Churchill Red Baron 8300F ET	R Leader 6964

			TH 122 71I Victor 719T
			FCC 3Z Xquisite 25B

Falcon is a bull that catches your attention with his stylish look and profile, and offers a little more stoutness and muscle shape. With his moderate birth weight and smooth design, Falcon would be a great fit for your replacement heifer pen. **Heifer approved**

FCC 1K COMPASS 21N

DOB FEB 20 '25 BW 70 REG NO. PC03126328 TATTOO GCFH 21N

BW	0.5	Churchill Red Baron 8300F ET	R Leader 6964

		Elberfeld Zizzle 4Z	TH 13Y 9050 Beth 61A
			Boyd Worldwide 9050 ET
			Elberfeld Umber 7U

Compass is an eye appealing, moderate birth weight bull out of a first calf heifer who did a great job. With his 70 lb. birth weight and the way he is made, we think Compass is a great option for heifers or anyone looking to add maternal value to their herd. **Heifer approved**
